Re: Closure of Notice of Violation
Somerset WD Public Water System
Docket No. SDWA-08-2004-0029
PWS ID# CO0126718

Dear Mr. Pifher:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Notice of Violation issued May 25, 2004 and not to pursue further enforcement action against the Somerset WD Public Water System, Docket Number SDWA-08-2004-0029. This decision is based upon EPA's understanding that the Colorado Department of Public Health and Environment has issued an Administrative Order that addresses the Somerset WD Public Water System's failure to filter violation beginning in June 2002.

If you have any questions about this decision, please contact Olive Hofstader at (303) 312-6467.

Sincerely,

Lisa Kahn, Team Leader
Drinking Water Enforcement Program
Office of Enforcement, Compliance
and Environmental Justice
